

Aspiring to pursue B. Tech., B. Tech.-M. Tech. or Ph.D. in Computer Science & Engineering or Electronics & Communication Engineering?

Join IIIT- NR

A premier institution in Central India committed to foster excellence in IT education and research

Dr. Shyama Prasad Mukherjee International Institute of Information Technology, Naya Raipur (IIIT-NR) is all set to welcome its second batch of B.Tech. students and first batch of Ph.D. scholars. None other than the students of its first batch will vouch for the excellent academic culture and highly invigorating campus life that IIIT-NR has created in a very short span of time.

IIIT-NR is an autonomous University established by the Government of Chhattisgarh with support from National Thermal Power Corporation (NTPC). Located in the “Born Smart City of Naya Raipur”, it boasts of a fully residential and aesthetically designed campus, sprawling over 50 acres. The Institute is also equipped with state-of-the-art infrastructure and facilities for teaching-learning and on-campus living.

IIIT-NR’s journey towards academic excellence is nurtured and mentored by a highly eminent Board comprising Mr. Ajai Chowdhry (Founder-HCL), Prof. Arogyaswami Paulraj (Marconi Award winner & Professor Emeritus, Stanford University) and other visionaries from academia and industry. IIIT-NR has strengthened its academic forte by mustering highly competent and qualified team of faculty members from diverse disciplines. With this motivated team, IIIT-NR provides the impetus to strive for excellence in IT education and research.

Programmes offered:

- B. Tech. (Computer Science & Engineering and Electronics & Communication Engineering)
Eligibility: 10+2 pass with 50% aggregate marks in Physics and Mathematics (45% for SC/ST/OBC/PWD candidates). Admissions will be based on JEE Mains 2016 merit.
- Integrated B.Tech. – M.Tech. (CSE & ECE): Admitted B. Tech. students shall have the opportunity to opt for M. Tech. programmes after their fifth semester.
- Ph.D. (CSE & ECE):
Eligibility:
Computer Science and Engineering (CSE): Master's degree or equivalent (M.Tech, ME, MS) in CSE, IT, Software Engineering etc, with First class or 60% marks (55% marks for SC/ST/OBC/PWD) in Bachelor's and Master's Degrees and GATE qualified.

Electronics and Communication Engineering (ECE): Master's degree or equivalent (M.Tech, ME, MS) in Electronics and Communication Engineering, with First class or 60% marks (55% marks for SC/ST/OBC/PWD) in Bachelor's and Master's Degrees and GATE qualified.

The online application process for admissions to B. Tech. and Ph.D. programmes will be enabled from 6th July 2016 to 15th July 2016.
